The collage features several interactive elements: a grid of storybook thumbnails, a 'Library' interface with categories like 'Stories' and 'Leveled Readers', a large pink letter 'G' with a gorilla, a colorful dresser with numbers 1-4, and a blue elephant with letters 'a', 'b', and 'c'. A pink bear character is also visible in the bottom left.

# Phonics Ninja

- Slice your way through all phonic blends including bl, br, cl, cr, dr, fl, fr, gl, gr, pl, pr, sc, sk, sl, sm, sn, sp, st, sw & tr
- Slice your way through all phonic digraphs including ch, ck, gh, gn, kn, ng, ph, qu, sh, th, wh, wr & tch (trigraph)
- You decide what to focus on - turn individual categories ON or OFF from the settings page. Just press on the ON / OFF button. You can also turn individual letter and phonic sounds ON and OFF within each category.

- Learn by sight, sound, and touch
- Fun game play, sounds, and animations keep kids engaged
- Dynamic game play adjusts difficulty (the number of sight words) automatically based on player skills to keep kids both challenged and entertained vs. getting bored
- Supports 3 difficulty settings: EASY, MEDIUM, or HARD

## EASY MODE:

- Max 1 phonic sound
- letters move very slowly
- Great for introducing phonic sounds one at a time

## MEDIUM MODE:

- Starts with 1 phonic sound
- Max of 3 phonic sounds on screen
- Letters move 30% faster

## HARD MODE:
